MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Call from Justice/Congressional Leaks

Alden Abbott, an assistant attorney general at Justice, called me to ask for assistance in locating information for Justice Department's study of Congressional leaks of classified information. I directed him to the Unauthorized Disclosure summary and noted that the Attorney General was on distribution. I also told him that we had followed the practice for many years of notifying FBI whenever unauthorized disclosure of our information had occurred. He could probably obtain those records from the FBI.
